REMARKS

V98

The City of Murray worked with Ryan Roof from Faller, Kincheloe & Co, PLC to determine why the bank statement and the city financial software (Tyler Technology) had not balanced for over 10 years. It was determined that the bank had \$77,465 more than was documented in the financial system. The City of Murray implemented a new financial software (Summit Data Tech), made the necessary corrections in the system as well as employed a new city clerk. The bank reconciliation has been accurate since these changes were made. We have updated the beginning fund balances as of July 1, 2014 to reflect the actual cash that the City of Murray started with for the FY15 fiscal year: General \$484055; Special Revenue \$218439 and Proprietary \$384721.
